Dear Dr. Lederberg:

I am sending you  
herewith some of my reprints related  
to the *Paramecium bursaria-zoochlorella*  
symbiosis mentioned in your letter  
of December 6.

The subject is treated  
more fully in my book, "The Biology of  
*Paramecium*" which is now in production  
by Blakiston and which is expected to  
appear late next spring.

Sincerely yours,

A handwritten signature in cursive script, reading "Ralph Wichterman".
